Vacation Bible School

Say A Little Prayer

Memory Verse:

Our Father who art
in heaven,
hallowed be thy
name

~ The Lord's Prayer

Welcome!

Welcome to Vacation Bible School 2023! We will be sending home information about what we are learning and doing as we build community together. We hope you can use this as a way to continue the learning at home, and to encourage conversations with your kiddos!

Mission Corner

We are encouraging campers to bring in donations to support our Caring Cupboard this week. The Caring Cupboard provides a weeks worth of groceries to nearly 40 families in our local community. Thank you to everyone who brought in donations of crackers today! The daily donations are listed below:

Tuesday: Bath Soap

Wednesday: Mayonnaise

Thursday: Laundry Detergent

Friday: Maple Syrup

Science, Music, & Movement

Campers will explore connections in our bodies, in music, and in the world around us to prayer.

Trinity's own Kate Doms will be leading the children in creating Nature Frames using materials found in our nature center, as well as Hedgehog Prayers.

As a retired biology professor, Kate has spent much of her professional as well as free time leading conservation efforts in the Tristate area. Her "green dream" is to have all the children in the Greater Philadelphia area have more opportunity to experience nature and enjoy it.

Camper Quotes:

My favorite thing about camp so far is being in nature!

~ Max

Arts and Crafts

What is prayer?

To kick off the week, the children will decorate bags that they will take home on the last day of bible school with all their creations from the week in them! They will also be creating Handprint Prayers to attach to our prayer wall.

Like what you see? Consider supporting future ministry for youth at Trinity by making a donation today. You can donate online at www.trinityberwyn.com/give
